At the bottom of the browser window, the taskbar shows several open applications. A red arrow points to the taskbar icon for 'ebs_ver513 (2).exe'.

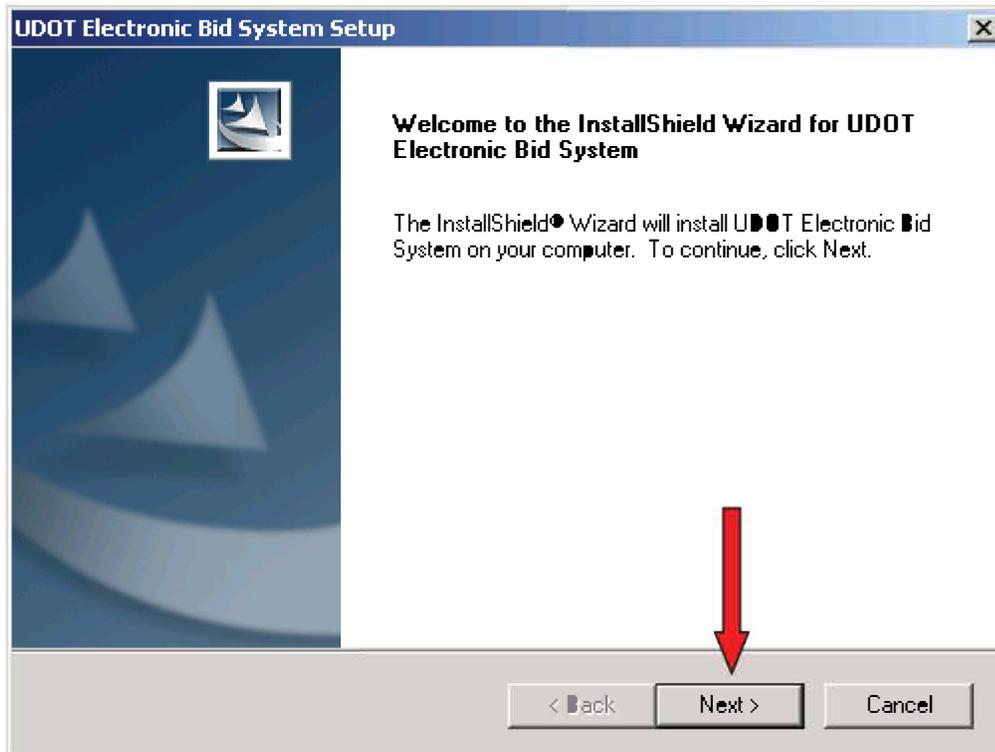

(4) Right click on arrow to the right of the file name.

Select show in folder. It will

place it in your C: Drive

(5) Double click on the file to run.

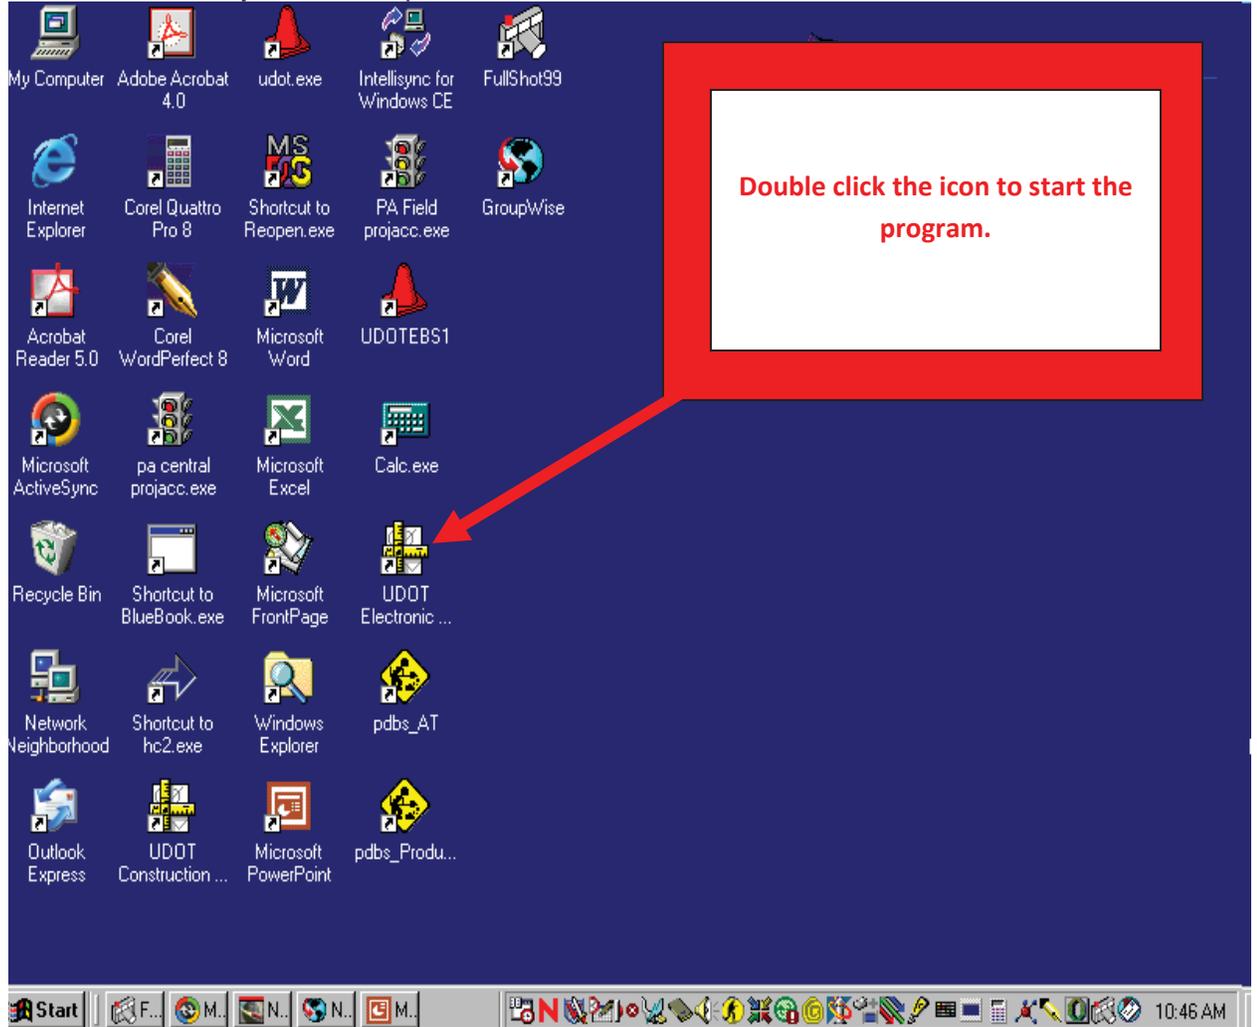

6) 'Install Shield Wizard' process will start. Click, "Next" to continue the process.

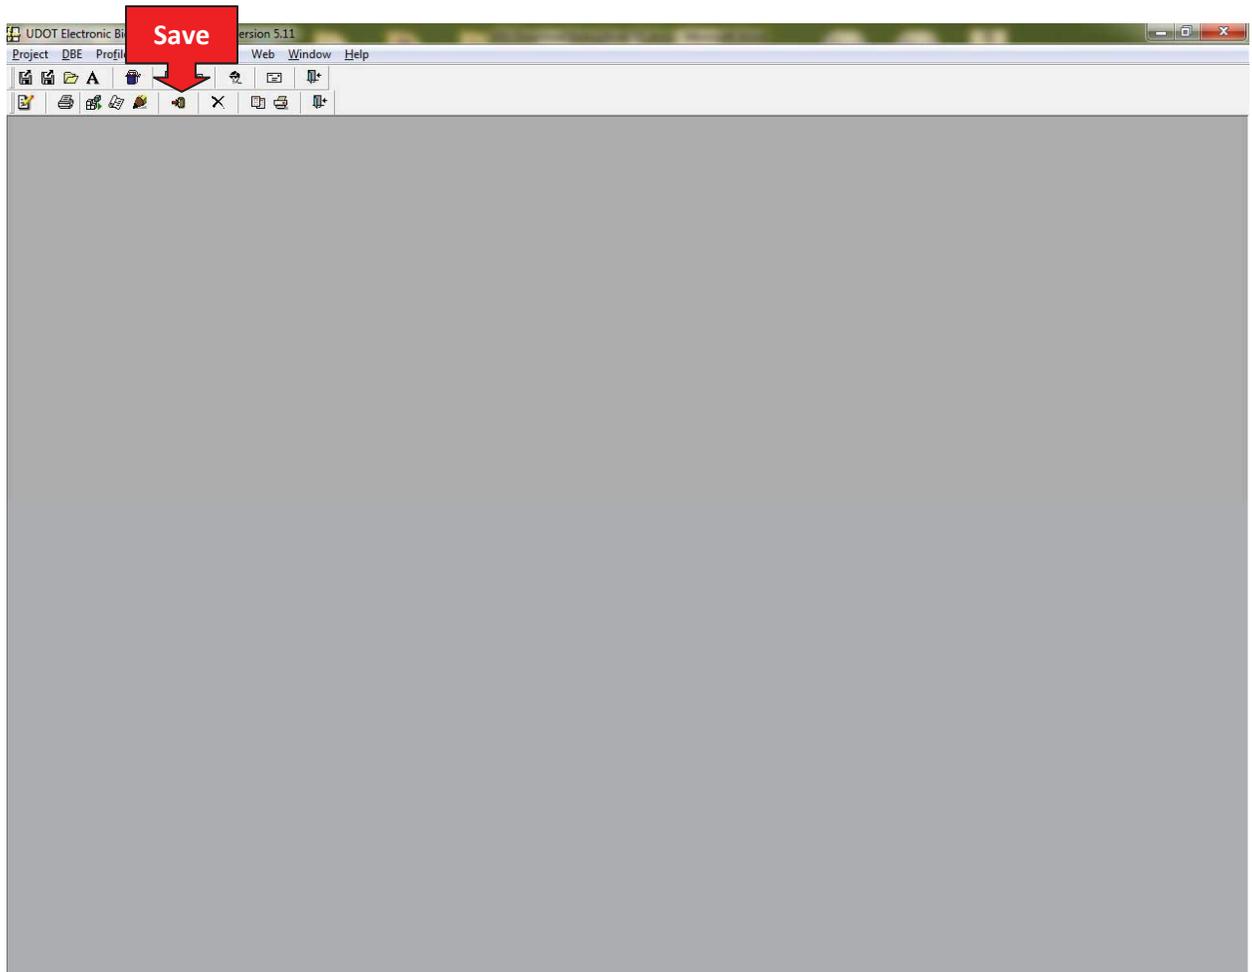

The installation will create a directory on the 'C' drive called 'EBS' and install the EBS software in a sub-directory 'UDOT'.

The installation process also creates a sub-directory in the 'EBS' directory called 'Download'. The 'Download' sub-directory can optionally be used to keep the project bid file, DBE Directory and Subcontractor File downloaded from the UDOT website for bidding.

- 7) After the 'Install Shield Wizard' has completed installation, the UDOT EBS icon is added to your desktop.

IF you are a 1st time bidder, the following screen will populate. Please complete the information and then hit “Save”.
